

This Pinot Grigio, able to captivate local and international wine lovers, has always had a special role for Lis Neris. The secret of its success is: over time, the youthful fruity fragrance is gradually prevailed by an elegant spiciness, backed by a balsamic energy at first, which then becomes salty.

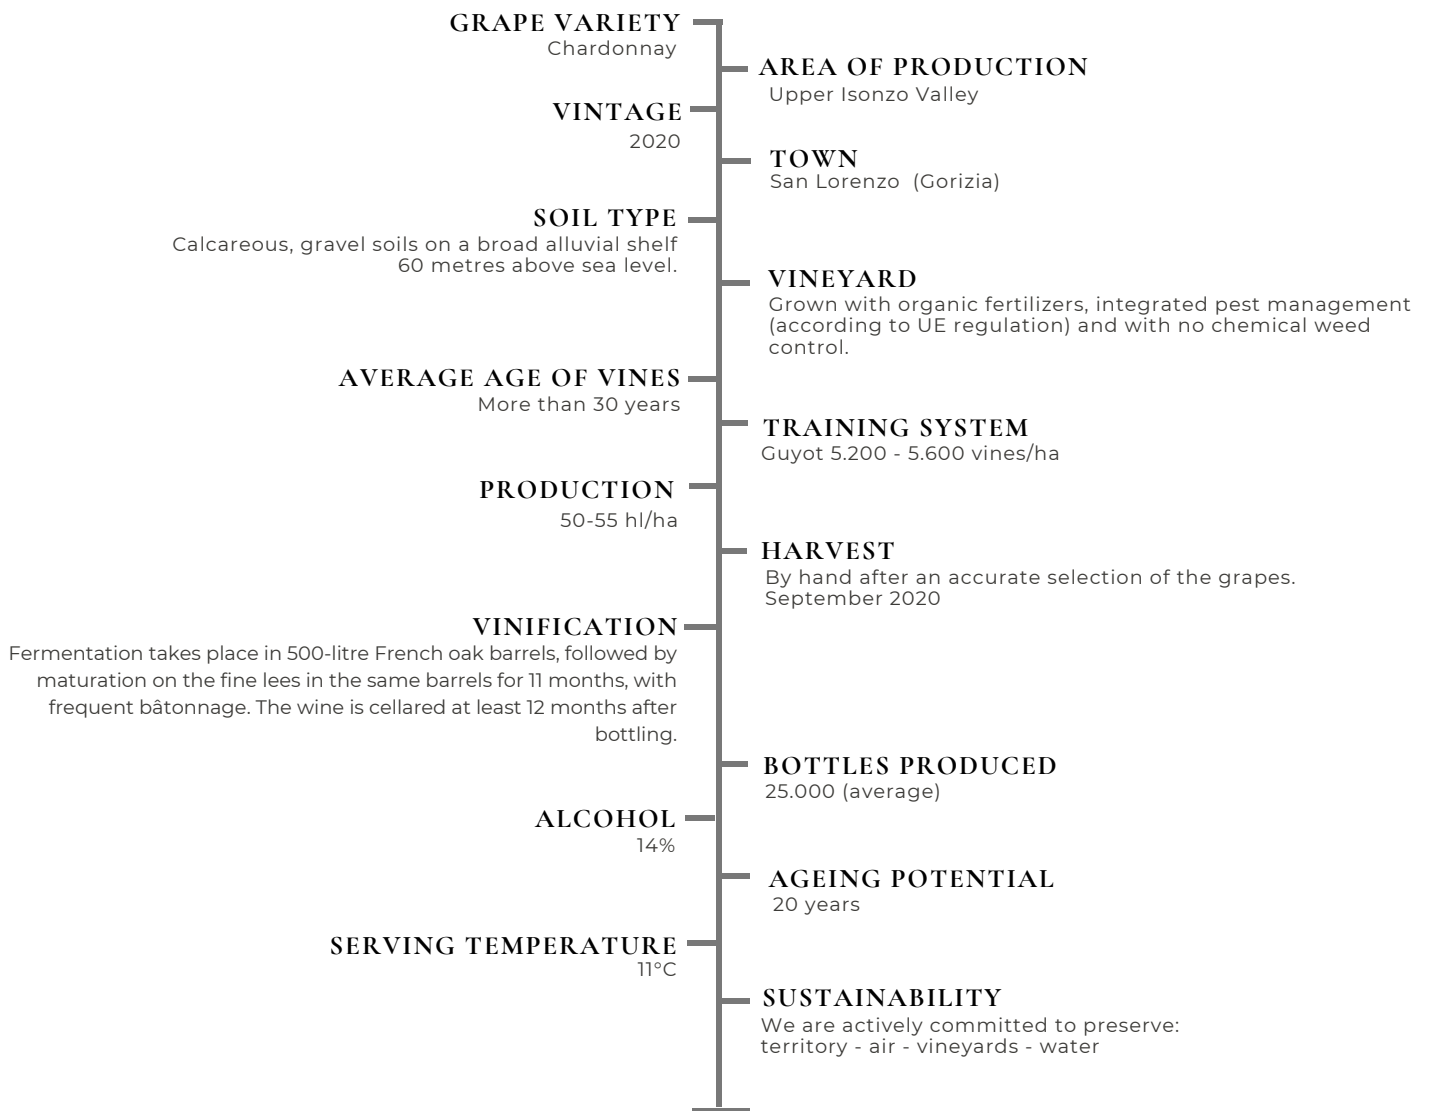

It will evolve finely for many years.

This wine could be easily paired with both fish and white meat dishes.

*“Whoever thinks that Pinot Grigio produces boring and simple wines only, should taste Lis Neris Gris.  
Through this wine Alvaro Pecorari shows what more this varietal has to offer.” – Falstaff*

Chardonnay is a highly versatile vine that well reacts to climatic and environmental stresses. This 2020 harvest expresses the typical personality of warm vintages without losing the fragrant finesse we are used to taste. Perfect to pair with all fish dishes, from warm starters to entrées and steamed or stewed main courses. To be tasted also with cheese and white meat dishes.

It is the most typical Friulian white wine. The vintage gave body and balance to this wine that stands out thanks to its intense aromas of flowers and almonds.

A modern interpretation of a traditional wine.

Well paired with regional dishes based on cheeses, vegetables and San Daniele ham. Great also with freshwater fish.

*"It's textural and deep but with a salty-savory character and structure that reminds me more of white Burgundy than Friulano."* E.G. Vinous USA
